Why Sponsor?

Sponsoring the 2026 UNA Impact Conference places your company at the center of Utah's largest gathering of nonprofit leaders—professionals who guide strategy, influence purchasing decisions, and seek trusted partners who can help them strengthen their work and communities.

Our conference attendees are uniquely intentional, values-driven, and highly engaged. Whether you offer financial services, HR resources, consulting, marketing, or legal support, this audience comes ready to learn and ready to find new solutions.

By supporting the conference as a sponsor, your company demonstrates a clear commitment to Utah's nonprofit sector while gaining powerful visibility and connection. You're not just supporting an event, you're investing in the leaders and organizations that strengthen our communities statewide.

Where Purpose Meets Possibility.

- ✓ **Increase visibility** for your brand in front of a highly engaged audience.
- ✓ **Showcase your products, services, or expertise** to nonprofit decision-makers actively seeking new solutions.
- ✓ **Demonstrate your commitment** to Utah's nonprofit sector.
- ✓ **Build relationships that matter**, connecting with leaders who shape communities and influence purchasing decisions.

About Impact

The UNA Annual Conference is Utah's largest gathering of nonprofit professionals, bringing together more than 500 executive directors, program leaders, fundraisers, and decision-makers. These attendees represent diverse organizations and mission areas they gather together with a common purpose: to forge partnerships, uncover transformative solutions, and find the inspiration that fuels lasting impact.

This year's theme, **Impact**, invites leaders to focus on what matters most: aligning their work, values, and strategies to build sustainable organizations, stronger teams, and healthier communities.
